Dean,
The Commnity Events folks set up their '99 programs directy with Natalie Vander Vorst. Michelle and I were not involved in this phase of events.
In Michelle's absence, can you confirm that the address below is functioning for '99 programs - we're not sure if it was a '98 po box, and therefore "assumed" to be available, or if it was actually assigned for '99. As you can see from the note below, some surveys were already shipped to this box.
Thanks
